

# All Occassion Note Cards

TO SUPPORT THE CANCER LIFENET PROGRAM

The Cancer LifeNet Program is selling note cards featuring the beautiful garden mural on the wall in the Cancer LifeNet Suite. Local artist, Tom Spicer, painted the landscape in memory of his wife, Susan, who lost her battle with cancer in 2006. Tom is also the father of Leslie Clark, RN, one of our nurse navigators.

A box of 25 Garden Mural note cards sells for \$20. Your purchase of these cards will help support the Cancer LifeNet Program and its mission to serve all individuals living with cancer in Harford and Cecil Counties. For more information or to purchase the cards, call our Helpline at 1-866-393-4355.
